

# MUSIC PURCHASING WEBSITES

for Congregational Accompaniment

## PRAISECHARTS

[www.praisecharts.com](http://www.praisecharts.com)

### Pros:

- Easy-to-use search database
- Topical search section
- Credit-based purchasing, rather than an annual fee
- Chord charts can be in any key you want
- Full orchestrations
- SATB choral arrangements
- Single-page chord chart format
- Capo chord options

### Cons:

- Limited key choices for lead sheet, piano and orchestrations
- Cannot preview music (large watermark covering most of the chart)
- Only 5 downloads per purchase

## SONGSELECT

[www.songselect.ccli.com](http://www.songselect.ccli.com)

### Pros:

- Easy-to-use search database
- Topical search section
- Subscription based with annual fee
- Unlimited downloads
- Change music to any key
- Works with Easy Worship and OnSong
- SATB choral arrangements
- Lyric sheet available

### Cons:

- No piano score, just lead sheets
- Possible inaccuracy of chords
